Performax 4.0 NSCR Catalyst

EmeraChem leadership is changing the industry standard. Breakthroughs in nanoscale surface technology and advances in manufacturing practice have resulted in a new EmeraChem Three-Way/Rich Burn product, **Performax 4.0**, that out-performs our Classic NSCR product.

- ▶ **Higher Precious Metal Utilization & Effectiveness**
- ▶ **Greater Oxygen Storage Capacity = Greater Dithering Capabilities**
- ▶ **Broader Lambda Operating Zone to Keep you in Compliance during Air/Fuel Ratio Controller Drifts**
- ▶ **High-Temperature Stability to Maintain Performance and Sustainability**

3-Year Performance Warranty

3-Year Mechanical Warranty

3 Free Chemical Washes
