

Warranty Terms and Conditions

Cypress Engine Accessories' Product Warranty

Products manufactured by Cypress Engine Accessories (CEA) are warranted against failures due to defects in materials and/or workmanship, under normal use when installed in accordance with applicable installation instructions for a period of 12 months from the date of sale. Damage due to misapplication, improper installation, neglect and/or physical abuse, exposure to excessive temperature or moisture conditions, foreign debris, attempted repair or modification without prior approval by CEA will not be covered by this Warranty.

Products Distributed by Cypress Engine Accessories

Products distributed by CEA that are manufactured by others will be covered under the original Manufacturer's warranty policy.

General Terms and Conditions

During the warranty period, at its sole option, CEA will use reasonable efforts to repair or replace any product manufactured by CEA if found to be defective upon the prepaid return of said product. In all events, CEA's liability shall not exceed the purchase price paid for the product that gives rise to any liability and is not liable for the equipment on which this product is installed. Product must be returned prepaid within 30 days of the occurrence of the failure and must be accompanied by a completed CEA RMA form.

CEA is not responsible for freight costs.

This warranty is in lieu of all other warranties expressed or implied.

Warranty Claim Procedure

Warranty claims must be accompanied with a completed RMA form. So that a complete failure analysis can be performed, the following details must be included: part number, serial number (if applicable), purchase date, original purchase order number, original invoice number and a detailed description of the product failure.

Materials must be returned prepaid to:
